Reduce, Recycle, Re-use

Monday 21st March

Global Goals Challenge

THE GLOBAL GOALS For Sustainable Development

Last week we learned about plastic bottles being made into...

How does recycling or re-using clothes help the environment?

Recycling Clothes

How can you help?

Prayer

Dear God,

Thank you for the wonders of nature on
our planet

Thank you for all the clothes that we
wear

Help us to learn as much as we can about
how we can reduce waste by recycling
and re-using the clothes we wear

Give us courage to take action to make a
difference and protect our planet for the
future

Amen
