Dear Deborah,

On behalf of the Stalybridge North Councillors I want to congratulate you on your recent Ofsted Inspection. Being rated 'Good' across all six categories is a fantastic rating which is deserved.

I would be grateful if you would pass on our sentiments to pupils, parents, governors, staff and all those involved who have contributed to the school; making it so successful. The outcome reflects the ethos of the school with each child being nurtured to their potential.

Quite rightly you will be proud of the school's achievements and I am confident the challenges ahead will be met with the same vigour and positive approach to sustain continued success.

Yours sincerely,

**Councillor Jan Jackson
Stalybridge North Ward**
